Additional Information / Prior Funding History:
 FY2007 - \$10,200,000.

Project Description/Justification:
 Eagle River Loop Road is a narrow two-lane road with no shoulders or pedestrian facilities. There has been substantial residential development on the east side of the roadway in recent years which has greatly increased traffic on Eagle River Loop Road. This project is needed to provide for safe turning movement, improve traffic flow and provide pedestrian facilities.

Operating and maintenance costs will be approximately \$10,000 per year beginning in FY2009.
